Verse

I i i don't know why
I feel like an incomplete
I i i can't deny
I'm feeling a lil off beat
Here I go again
I keep blowing on the same thing
Here we go again, again, again...

Chorus

Mood lipstick
Changing colors on me, on me.
Mood lipstick
She's changing colors on me, on me.

Verse

I i i don't know why
She says: i love and hate you
Oh no my oh my
Can't act like she's supposed to
Here we go again
We keep blowing on the same thing
Here we go again, again, again...

Chorus

Mood lipstick
Changing colors on me, on me.
Mood lipstick
She's changing colors on me, on me.

Bridge

She's my kaleidoscope
She keeps me turning
She's my kaleidoscope
Colors keep changing changing

Chorus

Mood lipstick

Changing colors on me, on me.
Mood lipstick
She's changing colors on me, on me.
Mood lipstick
Changing colors on me, on me.
Mood lipstick
She's changing colors on me, on me.
