

## **Kaleidoscope**

### **Verse**

From planet Earth up to Jupiter  
Connected no matter where we've been.  
My heart beats faster now  
As your gravity pulls me in.

### **Pre chorus**

Soft and clear, your voice in Space  
Is the only sound I hear  
Racing light years slowly fading  
As your face appears.

### **Chorus**

You're my kaleidoscope  
You're my kaleidoscope

### **Verse**

When i can't breathe you're my oxygen  
I inhale you in so deep.  
Constellation art floating in the stars  
That is what we are: complete.

### **Pre chorus**

Soft and clear, your voice in Space  
Is the only sound I hear  
Racing light years slowly fading  
As your face appears.

### **Chorus**

You're my kaleidoscope  
You're my kaleidoscope  
You're my kaleidoscope  
(instrumental melody)

### **Bridge**

You're the Universe to me.  
You're all the colors i wanna see.  
You're the Universe to me.

### **Chorus**

You're my kaleidoscope  
You're my kaleidoscope  
You're my kaleidoscope

You're all the colors i wanna see.
