## Chorus

Wednesday  
I wish that it was Thursday  
Can't wait till it's Friday!  
Where's my Saturday?  
Every single every single  
Wednesday I wish that it was Thursday  
Can't wait till it's Friday!  
Where's my Saturday?

## Verse

It's a Monday night  
And you're still not here  
Everyday's a misery  
Without you near  
Oh babe...it ain't easy!  
Every Tuesday I think about  
How i'd give everything if you were around  
Oh babe...it ain't easy!

## Chorus

Wednesday  
I wish that it was Thursday  
Can't wait till it's Friday!  
Where's my Saturday?  
And every single every single  
Wednesday I wish that it was Thursday  
Can't wait till it's Friday!  
Where's my Saturday?

## Verse

Sometimes I wonder  
If you think of me  
Where you spend the night  
When you're not with me  
Oh babe...it ain't easy!  
I'm counting down the seconds  
But my phone won't ring

I get so sad  
Cuz i miss you, dear!  
Oh babe...it ain't easy!

### **Chorus**

Wednesday  
I wish that it was Thursday  
Can't wait till it's Friday!  
Where's my Saturday?  
And every single every single  
Wednesday I wish that it was Thursday  
Can't wait till it's Friday!  
Where's my Saturday?

### **Bridge**

Every night i make a wish  
Like i you told me so  
I kept believing that  
You'll come back and kiss me goodnight.  
But i'm tired of believing  
So I'm just gonna keep on dreaming  
Till i see you by my side  
Yeah...

### **Chorus**

Wednesday  
I wish that it was Thursday  
Can't wait till it's Friday!  
Where's my Saturday?  
And every single every single  
Wednesday I wish that it was Thursday  
Can't wait till it's Friday!  
Where's my Saturday?  
I'm missing you,missing you.
