

Repeat

© 2015 Music and Lyrics by Kata Kozma, Linda Kiraly

Verse

You and i
Met a little while ago
Pretty eyes stopped time
Had me at hello.

You made me feel
Feel like id never before
Got lost in the moment
I knew that i needed more.

So we grabbed a few drinks
At that new bar downtown
Had good times talking
Felt like no one was around.

Love at first sight?
Or did i have a bit too much, i don't know...
But whatever this is
I am not ready to go.

Chorus

('Cause)

Maybe you are the one for me, so
Baby can we just press repeat?
Maybe you are the one for me, so
Baby can we just press repeat?

Verse

"Butterflies"

She said when we kissed goodnight
She was mine i was hers
It just felt so right

She said "This was so nice
but it's time to call it a night|
She took a step then

turned back around.said
"Lets do this again sometime"

Chorus

('Cause)

Maybe you are the one for me, so
Baby can we just press repeat?
Maybe you are the one for me, so
Baby can we just press repeat?

Bridge

This is crazy
So amazing
Let's see where this could lead
This is crazy
So amazing
Lets keep it on repeat.

Chorus

('Cause)

Maybe you are the one for me, so
Baby can we just press repeat?
Maybe you are the one for me, so
Baby can we just press repeat?
