

Hunter

Verse

You got me going a 1000 miles/hour
Wild through my infinite desire
Channel each other we ride the same wave
No off switch and i'm feeling brave.

Fragile hearts within beastly bodies
Who's gonna take the first step calmly
I crave the future you feed my hunger
I'll go first cuz i'm the hunter.

Chorus

I'm the hunter
I'm the hunter
You're my beast
i hold the trigger
i hold the trigger
So don't get cocky with me.

Verse

it's a good cause so just lay down for me
Come closer trust me i'll set you free
Locked in a stare-down it's time to play
Ready or not come what may.

Gentle ride till the high comes down
Breathing still but there's no sound
Now i have you and you have me
Tasted it and now i'm thirsty.

Chorus

I'm the hunter
I'm the hunter
You're my beast
i hold the trigger
i hold the trigger
So don't get cocky with me.
So don't get cocky with me.

i'm feeling manic
No room for panic
Missing you would be tragic.
