

Run To You

© 2014 Music and Lyrics by Kata Kozma

Verse

Two golden hearts beat on the scene
A thousand light years in between
Our eyes collide i'm hypnotized
Ooh you draw me in
Ooh you draw me in

Pre Hook

I'll run to you, to you
If you want me to.

Hook

Ooh Ooh Ooh
I will run to you
Ooh Ooh Ooh
I will run to you
I will run to you

Verse

We're waves across the ocean sky
A hundred bluebirds flying by
They're leading us to paradise
That's where we belong
That's where we belong

Pre Hook

I'll run to you, to you
If you want me to.

Hook

Ooh Ooh Ooh
I will run to you
Ooh Ooh Ooh
I will run to you
I will run to you

Bridge

A million stars aligned for us

Can you see it too?
A million stars aligned for us
Can you see it too?

Hook

Ooh Ooh Ooh
I will run to you
Ooh Ooh Ooh
I will run to you
I will run to you
