

# So Good

© 2017 Lyrics by Kata Kozma

## Verse

Feels so good  
How you move your feet  
So good  
How you ride the beat  
Feels so good  
So good to be in this heat  
Feels so good, feels so good  
Feels so good, feels so good.

Feels so good  
How you say my name  
Feels so good  
To be in this game  
Feels so good  
So good and I feel no shame  
Feels so good, feels so good  
Feels so good, feels so good.

## Chorus

So good!  
So good!  
So good!  
So good!

## Verse

Feels so good  
When you start to tease  
So good  
There ain't no apologies  
Feels so good  
110 Degrees  
Feels so good, feels so good  
Feels so good, feels so good

Feels so good  
To be in your arms all night  
So good

How you hold me tight  
Feels so good  
So good to be by your side  
Feels so good, feels so good  
Feels so good, feels so good.

**Chorus**

So good!  
So good!  
So good!  
So good!
