Verse

Sitting there in a white tank top
She's sipping wine from a plastic cup,
Her face so pretty she don't need make-up.
She's like a she's like a "whooooo"!
I'm walking up to her, play'n' it cool,
Small talk getting hot damn soon.
"You wanna take it to the hotel room?"
I'm like uh, I'm like, uh "whooooo"!

Pre Chorus

Waistline hands slipping down it's
Playtime! She's going wild, owww!
"Baby this may be the first time we meet,
But i know exactly what you need."
Baseline, we're rolling on the floor
She tastes like..."hey hey hey"! "Whooa-oh" she says "Whooa-oh"

Chorus

Baby, is this just a one-night stand?
Is this a one-night stand? (one-night stand)
Do you feel this? Could we hit repeat?
Is this a one-night stand? (one-night stand)

Verse

Her Lipstick's in the bathroom sink, our
Clothes on the ground they're a perfect mix, yeah,
Honestly wouldn't mind getting used to this.
Yeah she's a, yeah she's a "whooooo"!

Pre Chorus

Waistline hands slipping down it's
Playtime! She's going wild, owww!
"Baby this may be the first time we meet,

But i know exactly what you need."
Baseline, we're rolling on the floor
She tastes like..."hey hey hey"! "Whoaa-oh" she says "Whoaa-oh"

Chorus

Baby, is this just a one-night stand?
Is this a one-night stand? (one-night stand)
Do you feel this? Could we hit repeat?
Is this a one-night stand? (one-night stand)
