Verse

We're skinny dipping after dark kissing strangers
Breaking all the rules yeah we love the danger.
Subway surfing underground yeah we're fearless,
Whoa oh oh oh oh!

Trespassing j-walking, playing truth-or-dare
Spend our last dime reckless cuz we don't care!
Free falling in love yeah we're fearless,
Whoa oh oh oh oh!

Chorus

I wanna be free!
Dance on tables carelessly: Free!
Wear whatever feels like me: Free!
Laugh out loud on city streets: Free, Free, Free!
That's what I wanna be!

Hook

(Melody)

Whoo whooo whoooo whoooo
Whoo whooo whoooo whoooo

Verse

Hand standing so we see the world upside down
Ditch your wallets we don't need it for a good time!
We let go chase our dreams yeah we're fearless
Whoa oh oh oh oh!

Life's short so we gotta be forever young
Hop a train to a place that we've never gone.
No looking back no regrets yeah we're fearless
Whoa oh oh oh oh!

Chorus

I wanna be free!
Dance on tables carelessly: Free!

Wear whatever feels like me: Free!
Laugh out loud on city streets: Free, Free, Free!
That's what I wanna be!

Hook

(Melody)

Whoo whooo whoooo whoooo
Whoo whooo whoooo whoooo

Bridge (Rep.)

Uh-huh! Uh-huh!

Hook

(Melody)

Whoo whooo whoooo whoooo
Whoo whooo whoooo whoooo
Free free free free free!
