

Give Me Your Love

(Performed by Adam Szabo at the 2014 Eurovision Song Contest)

© 2014 Lyrics by Kata Kozma

Verse

You're the air in my lungs
You keep me breathing.
My heart beats for you alone
And my bones only move when i run to you.
I hear you in every song
La la la la
I can't speak without your voice
So don't say goodbye.

Chorus

(Just) Give me your love love love
I need your love love love
Give me your love love love
Don't say goodbye

Verse

You're the best of my dreams
My craziest feeling.
I wake up to watch you sleep
You're my favorite thought on a rainy day.
With you I can make it through the storm
No one survives
You're the only one I'll ever want
So don't say goodbye.

Chorus

Just give me your love love love
I need your love love love
Give me your love love love
Don't say goodbye.

Bridge

Ooh with you I feel beautiful
Ooh with you I'm invincible
Ooh with you I can feel alive
With you I believe in love.

Chorus

Give me your love love love

I need your love love love
Give me your love love love
Don't say goodbye.
