

King of The World

© 2015 Music and Lyrics by Kata Kozma, Linda Kiraly

Verse

You think the Sun orbits around you;
But shouldn't it be the other way?
i guess you also make the sky blue
Well you know what, you just make me grey.

You love it when I take you higher and higher
Guess what i'm not your fucking airplane.
My friends told me you were a frequent flier
First class or not, no thanks, i'll stay.

Pre chorus

Sorry that you're so caught up in yourself...
You're so full of it!

Chorus

You call yourself "King of the world"
Boy, you've got some nerve thinking you're everything.
You think you're the center of the Universe,
That's really absurd, maybe grow up first.
King of the world
King of the world
King of the world
King of the world

Verse

You know what they say about Karma:
Hide all you want but it'll find you.
Must be a word you've never heard of
Cuz you keep doing the sh** you do.

So you can get away with everything?
Honey you must be so confused.
Quit thinking you're the one who's pulling the strings!
Won't be a puppet for you.

Pre chorus

Sorry that you're so caught up in yourself...

You're so full of it!

Chorus

You call yourself "King of the world"
How u got the nerve to think you're everything?!
You think you're the center of the Universe,
That's really absurd, maybe grow up first.
King of the world
King of the world
King of the world
King of the world

Bridge

Are you happy alone
Sitting up there on your throne (oh oh oh)
Think you have it all
Behind your magic wall?
You don't have anything
You're just a lonely king,,,
And you're so full of shit!

Chorus

You call yourself "King of the world"
How u got the nerve to think you're everything?!
You think you're the center of the Universe,
That's really absurd, maybe grow up first.
King of the world
King of the world
King of the world
King of the world
