

Friend Request

(Cher Lloyd)

Verse

I see 7 adds; my heart skips a beat
With every red-alert I hope your name appears.
Check my "other" folder a lil obsessively...
Update my status cuz i'm hoping you'll see.

Pre chorus

Every second i refresh
all i got is 10 events
Notifications got me stressed
Cuz none of them are your, your friend request.

Chorus

Ooh ooh ooh, ooh ooh ooh ooh
None of them are your, none of them are your
Ooh ooh ooh, ooh ooh ooh ooh
None of them are your friend request.

Verse

All i see is blue and all i see is white
No matter where i scroll i'm not with you tonight.
You got me cyber-sad I'm sitting here in the dark
My laptop is the only light, hashtag #brokenheart.

Pre chorus

Every second i refresh
all i got is 10 events
Notifications got me stressed
Cuz none of them are your, your friend request.

Chorus

Ooh ooh ooh, ooh ooh ooh ooh
None of them are your, none of them are your
Ooh ooh ooh, ooh ooh ooh ooh
None of them are your friend request.

Bridge (2x)

Click, like, wait, refresh!
Still nothing, this is turning into a pity fest, yeah I
Click, like, wait, refresh, no
Still nothing, this is turning into a pity fest, yeah...
But i want it really bad.....
I want your, I want your friend request!
