

Cravings

© 2015 Music and Lyrics by Kata Kozma, Linda Kiraly

Verse

You're the spark that starts the blaze
The high that makes me sin
You're the thought that's got me craze
The itch under my skin

You're the taste that feeds my hunger
The love that melts my lips
You're the spell that I am under
The reason I can't quit.
And I got no damn control!
No No No

Chorus

I can't fight this feeling
Cuz I'm craving you
I can't fight this feeling
Do you feel it too?
I got cravings, I got cravings
I got cravings, I got cravings.

Verse

You're the pain that keeps me sane
The burn I'm looking for
You're the poison in my veins
Always leave me wanting more.
And I got no damn control!
No No No

Chorus

I can't fight this feeling
Cuz I'm craving you
I can't fight this feeling
Do you feel it too?
I got cravings, I got cravings
I got cravings, I got cravings.

Bridge

I got cravings yeah, uh,
I got cravings hey, hey
I got cravings yeah, uh,

I got cravings hey, hey

Chorus

I can't fight this feeling

Cuz i'm craving you

i can't fight this feeling

Do you feel it too?

I got cravings, i got cravings

I got cravings, i got cravings
